## Interest

Web Development

Data Scientist

Softwere Developer

## Hobbies

study economic

stock investing

# KOILAKONDA MADHU

## EDUCATION

### B.TECH

2020 - Present

### COMPUTER SCIENCE ENGINEERING

Rajeev Gandhi Memorial Collage of Engineering  
and Technology

### Intermediate

2018 - 2020

sri chaitanya junior college

### S.S.C

2017

Keshava Reddy Public School

## PROJECT

### web service

working model of complete web site for web services  
and development with the help html, java script,css  
link <https://madhuwebservices.netlify.app/>

### SOCIAL MEDIA

working website of complete web site for webservice  
and development with the help html,css,java script  
link <https://madhusocialbook.netlify.app/>

## MACHINE LEARING

python face recognition application with the help of  
machine learing to identify the fascial patterns

## NEURAL NETWORKS

Self driveing car simulation neural networks to self  
driving with the java script

## Certifications

- Programming Essentials in Python by cisc
- Introduction to internet of things by NPTEL

## Achievements

- Full Stack Developer trainee at Hero Vired Company  
powered by tech Mahindra
